Slave / Submissive Application Form

Committing to a lifetime or even a single session of Slave / Submissive is a serious undertaking for anyone to consider. Nothing is to be rushed. Nothing is to be taken for granted. All the rules and conditions to be built up over time do not fundamentally matter as they are a means to an end: a sustainable, ever-maturing and evolving, mutually satisfying, effective and loving Master / Dominant-Slave / Submissive partnership. Be honest, open and truthful, with yourself and your Master / Dominant. Commitment, fulfilment, happiness and above all trust and clear communication are crucial, so think carefully about what you are asked here.

Filling in this form will take time. A good Master / Dominant needs a thorough understanding of any Slave / Submissive who is placed under his control, and honesty and trust are established through clear communication, as well as good actions and training. The mental component to Slave / Submissive is even more important than the physical dimensions, and this application will help a Slave / Submissive to begin to explore the mental side of Slave / Submissive, or at the least, enable a Slave / Submissive to consider his reaction or attitudes to various aspects of Slave / Submissive.

Good Master / Dominant need good Slave / Submissive, and good Slave / Submissive who submit more willingly and completely to a Master / Dominant are desirable, and worthy of training. If your application is successful, I will be in touch to arrange an inspection / interview session and to discuss your future Slave / Submissive development. Good luck.
